The art department will exhibit student work, including natural paintings in oils and water color. The photography department will feature a display showing the processes of photography. The journalism department will have a display illustrating the production of the school newspaper and yearbook. An exhibit of rocks and minerals is scheduled in the geology room 39.

The drama department will present the first act of the college-community players' current play production, "Apple of His Eye," at 8 p.m. in the college Little Theater. The Madrigal Singers with a clarinet quartet are also featured on the entertainment program.

## Spring Carnival Set For May 5 In Gym, Dance Also

This year's bigger and Better Hartnell spring carnival will start at 7:30 p.m., May 5, in the Men's gymnasium, according to Hartnell Interclub Council President Don Lintz. As an extra feature, a dance, starting at 9 p.m., will be added to the carnival festivities.

The carnival will boast such concessions as dart throws, food booths, secot (push the checker), cascara (confetti eggs), miniature golf, penny toss, squirt the candle out, shave the balloon, and pinata. Many other concessions have been planned by clubs, but not officially named.

## Alisal Lions To Sponsor Play Of College-Community Cast

Alisal Lions club will sponsor Hartnell college-community players' production of "Apple of His Eye," Mr. Hal Ulrici, director, announced today. The play is a two-act comedy by Kenyon Nicholson and Charles Robinson, and performances

will be held on May 18, 19, 25 and 26 at the college Little theater.

"Apple of His Eye" is the story of a gentleman farmer from Indiana who falls in love with his attractive young housekeeper, thirty years his junior. How he courts her and redecorates his exterior are some of the most hilarious incidents of the play.

"Mr. Sam Stover," for that is our farmer's name, finds his opposition chiefly from his more-than-interested daughter-in-law, and some very snoopy neighbors.

The cast is loaded with "rural characters" of a mid-western vein. This is undoubtedly one of the funniest shows done at Hartnell in recent years, according to Mr. Ulrici.

## Attire Is Selected For Spring Dance; Roast To Be Served

Suits and dinner jackets for men and cocktail or evening dresses for women will be in style for the annual spring prom which will be held at the Brookdale lodge, May 26, Barbara Church, Hartnell commissioner of social affairs, announced this week.

The annual affair will be held from 7:30 p.m. to 1:30 a.m. with a dinner of prime rib roast served from 7:30 to 9 p.m. Theme for the climax of the spring social events is "LeJoli Ruisseau"—the French translation of which is, "the beautiful brook."

Serving on committees for the prom are, Miss Church, chairman of music and finance; Ivana Stock, in charge of decorations; Marilyn Ingols, chairman of the location and bids, and Charlie Baymiller, publicity.

Bids for the event will go on sale May 25 at a price of \$6 per bid, Miss Church said.

The Brookdale lodge is located 12 miles north of Santa Cruz.

## Shirk Attends Rotary

Don Shirk, Art club president, accompanied Hartnell President Stuart Dufour and Mr. Claud Addison to a Rotary club luncheon staged April 10 at the Cominos hotel.

Getting the baby to sleep before midnight is perhaps the most difficult when she is about 17. (ACP)

## McAllister Named Rally Head As Felice Tenders Resignation

Robert McAllister, Salinas sophomore, was appointed as commissioner of rallies and assemblies at Monday's meeting of the ASB commission to complete the unexpired term of Peter Felice, who tendered his resignation due to illness in the family.

The appointment was made by Pres. Rene Eris following balloting among the commissioners. Four students aspired to the office, with Gerald Ferreira, Spreckels freshman, placing second.

Gus Anderson, next year's student body president, stated he would appoint Ferreira to serve in the post until the class officer's election next fall. The appointment will be made at the last session this year over which Anderson will preside.

Following brief reports by the participation and budget committee chairmen, the commission voted

## Panther's Claw

By CLIFF PLETSCHET

**THE PRUDENT STUDENT:** Don't do what George Andrade did: He won an old car in a poker game in Germany, spent ten bucks shipping it to the United States, and blew it up speeding 90 miles per hour over the Mojave desert. . . . Don't do what Fen Cooper did: He crawled into a cave near Santa Cruz a couple of weeks back and got stuck. Took him an half an hour to get out and he has many bruises to prove it. . . . And I'd be afraid to try this: Jeanne Robertson lost in the Miss Watsonville contest last year so she is trying again this year. If she wins, it will be o.k. BUT if she loses AGAIN, well. . . . Don't try what Sam Zuckwert wants to try: To blow up the world for 13 cents. Sam claims he can make an A-bomb for that price. . . . Don't do what a certain prof has done: He has worn the same shirt every day since October. Explanation to avoid execution: He washes it out every night. It's some kind of an experiment.

**BEST OF LUCK** to Pete Felice and his mother who was stricken awhile back with cancer. Pete had to quit school and go to work to help pay expenses. . . . As you know, Dee Dales is running for queen of the Colmo del Rodeo parade. She deserves your support not only because she has all the qualifications of a fine candidate, but she is a Hartnellite and we like to think that we are sticking together. Another note on the semiserious side: Charlie Baymiller, new head of the student union committee, needs a lot of help to make the committee and the union the success it should be. One way of helping is to observe S.U. rules at all times.

**SOME MAY** say it's childish and the Academy of Motion Picture Arts and Sciences may say it's outrageous but now we offer at last the annual awards to Hartnell stewdents: Best actor: Bob Barber for "Ally Barber and the Forty Embezzlers." Best actress: Joanne Snodgrass, "I'd Like to Be a Physicist." Best Short Subject: Dorothy Garcia . . . I quit.

## Modern Dancers Performed Here For Student Body

Modern dance students presented an assembly before the Hartnell student body last week. Mrs. Jack Middaugh, dance instructor, was master of ceremonies for the dance recital.

The dance group entered to the Hartnell choir's first recording of "Coming Thru the Rye." Featured in the dance numbers were "Chop Sticks," Merri Irving, as the piano soloist, and Bobbie Jo Long, Carol Hossack, Rosalina Yamat, Fe Lorejo, Adeline Cruz, Marilyn Ingols, Peggy Westphal and Evonne Stolteling as the piano keys; "The Aquacade," Jackie Hickenlooper, Arden Lewis, Marilyn Ingols, and Joyce Shifley; "The Skater's Waltz," Marie Oliveira and Arden Lewis.

The next number was a baseball dance skit with Miss Irving and Joyce Shifley. Other numbers were "The Bull Fight," with Judy Blair as the matador and Miss Hickenlooper as the bull; "Kinkajou," (the jungle chickens) with Jeanne Robertson, Virginia Persson, Nancy Hagler, and Peggy Wightman; "The Syncopated Clock," with Sally Closter, Joryl Shoemaker, Vada McCray and Vicki Lazzarini; "The Phantom Regiment" concluded the program with Eileen King, Barbara Friebe, Sharon Axe, Melva Sciffi, Virginia Persson, Miss Wightman, Miss Hagler, Barbara Mills, and Jean Adams.

## Scholars' Club Changes By-Laws

Constitution changes, a field trip to San Francisco Saturday and Spring Carnival booth were the main topics on the agenda as Nu chapter of Alpha Gamma Sigma held its regular meeting Tuesday noon.

Ten changes in the present constitution, which had been posted throughout the week, were speedily approved by the members present after Pres. Clifford Pletschet opened the meeting.

Fifteen people signed up for the field trip which will take in such spots of interest as the cyclotron, DeYoung museum and Golden Gate park. Bus will leave from in front of school at 6 a.m. and return to Salinas at 9 p.m., Pletschet announced. He added that members, ex-members and prospective members may still sign up on the main bulletin board as late as Friday.

### Carnival Plans Set

Eileen King, Interclub council representative, announced that the club would sponsor the basketball "throw" booth at the carnival which will be held May 5. Pletschet appointed Vice-Pres. Bob Irvine to take charge of booths and several members offered help in setting up the operation.

Mr. Robert Johnston, chapter advisor, gave the members some information on scholarships sponsored by the state organization.

The next meeting of the chapter will be held May 15.

## Salinas High Puts On Show Assembly

Salinas Union high school presented "Variety Capers," a short entertainment program, Tuesday in the Little theater. The show revolved around Bob Howard and his combo.

Following the combo's introduction the "Capris," a male foursome, sang two songs. They were followed by a young female singer.

Lora Chappell did a ballet routine, after which Dianna Stone sang a spiritual song.

Four students performed an unusual Philippine bamboo dance.

"The Lone Psychiatrist," a pantomime, came next on the program.

The latter part of the program included a piano solo, a self-accompanied piano singer and finally a young male singer.

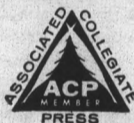

## Jeanne Robertson Has Leading Role

Jeanne Robertson, star of several Hartnell college-community player productions, has been selected for one of the lead roles in the Santa Cruz community players' production, "Lady of Letters," which will be presented in June.

Miss Robertson will play the part of "Adelaide Willifer," the flighty, bird-brained woman, a social outcast among the pseudo-intellectuals of college society who, through a quirk of fate, suddenly becomes the center of attention as a budding genius.

Jerry Morgan has been added to the list of students who hope to represent Hartnell in the Native Daughters of the Golden West regional speech contest. The Hartnell runoff is slated for 10 a.m. Thursday in the Little theater.

The three other contestants are James Honea, Louise Larsen, and Mike Coffey.

Contestants are graded on speech organization, speech delivery, and speech value.

## Numerous Grants Available Here

According to Dr. W. J. McCallum, dean of men and student body adviser, numerous scholarships have been open to graduating students. The committees responsible for each specific scholarship are considering those applications received.

Some of the associations offering scholarships are: the California Teacher's association, business and Professional Women and American Association of University Women. The latter is offering two scholarships for drama to any student wishing to go on to a four-year college.

The California Nurse's association is offering a scholarship to any graduating student interested

## Josephine Love Is Book Runner-up

Josephine Love this week became the second La Reata salesman to earn a free annual by selling 40 pledge cards. Miss Love is the first regular La Reata staff member to join the select group.

George Andrade, a salesman but not a member of the annual staff, passed the 40 mark several weeks ago.

A copy of the cover for the 1956 La Reata is on display in the trophy case in the main hall. Pledge cards may be purchased from a La Reata salesman outside the business office Monday, Wednesday and Friday from 8 to 10 a.m., from 11 a.m. until noon, and from 1 to 4 p.m. Pledge cards may be purchased at any time from Miss Mary Hernandez in the main office or from Mrs. Mericle at the A. and M. office.

in a nursing career.

There will be more scholarships in the near future, Dr. McCallum reports. They include such scholarships as the Rosendale scholarship, already awarded this year, Lions club scholarship and the Salinas Elks club scholarship.

Students will be advised on the bulletin board as soon as new scholarships are available.

## Judy Young Will Represent Hartnell In Queen Contest

Freshman coed and Hartnell homecoming queen, Judy Young, will participate in the coming Modesto relays queen contest. Miss Young is an education major at Hartnell.

The contestants will be selected on the basis of photographs only and two winners will be picked from more than thirty junior colleges participating in the relays.

The girls selected will run as co-queens together with a queen picked from Modesto junior college.

All expenses will be paid for the winners by the Modesto Junior Chamber of Commerce and the queens will be honored guests at a banquet May 25.

## Scholarships Are Discussed By Club

At its meeting last Thursday, the International club discussed qualifications for proposed scholarships to Hartnell students. It decided on two main categories for scholarships.

Any foreign student who has attended Hartnell for one year and will attend another year and meets certain other requirements is eligible for a scholarship.

Also, any domestic student who has attended Hartnell for two years plans to continue his education in a foreign country and fulfills other requirements is eligible.

The motion was made and seconded that the scholarships be \$100 each. If no one this year is eligible for the scholarships, the money will be added to future scholarship funds.

The board to select the recipient of the grant will be made up of the president of the college two faculty members of whom one is the advisor of the International club and three club members including the president of the club.

## Chee Chees Stay Unbeaten in Noon Softball League

With round one completed and the second round just underway, the Chee Chees remain the only undefeated team in Coach Jess Regli's intramural softball ranks with a record of three wins and no losses.

The Stress and Strain nine and the Bob O'Links are currently tied for second position with two wins and one loss apiece. With a record of one win and two losses, the Wee Men hold down third place in the standings. The Pedro Kings thus far haven't copped a contest and have dropped four.

## Madrigal Singers To Enter Festival On Davis Campus

The Madrigal Singers will represent Hartnell in the Northern California Junior College Music Educators association solo and choral ensemble festival next Friday.

Soloists will be Merri Irving, James Tarentina, Don Gilmore, Maria (Toni) Oliveria and Jeanne Robertson.

Colleges slated to attend the event, which will be held on the University of California campus at Davis, are Hartnell, San Mateo, Modesto, Santa Rosa, Yuba, West Contra Costa and San Francisco.

## Carnival and City Visit Take Up Art Club Time

Art club made plans for the spring carnival and discussed its proposed trip to San Francisco Tuesday, Pres. Don Shirk announced.

The organization is planning a trip in May to tour several San Francisco art galleries.

Alpha Delta Epsilon's annual scholarships will not be presented this year, according to President Shirk, and will be carried over to next year's scholarship.

## Davidson Pitches Outstanding Game But Panthers Lose

Despite the fact that Bill Davidson struck out 14 San Jose men in the opener, Hartnell Panther baseballers dropped both ends of a Saturday doubleheader to the Jaguars by scores of 3-2 and 4-0. The games were played on the Panther diamond.

San Jose scored first as the Jaguars pushed across a run in their half of the first. The Harts came back with one in the third to knot the count and then went ahead 2-1 when they scored again in the fourth.

The decisive blow was struck by Jaguar Third Baseman Stiles when he unloaded a homer with a man aboard in the sixth. The Panthers were held scoreless throughout the final five frames by Citti, Jaguar hurler.

## Davidson Hits Well

The initial tilt proved to be a heartbreaker for Davidson as he not only pitched a neat three-hitter but pounded out a pair of doubles as well. Altogether, the Panthers had seven bingles as Arza Dillard, third baseman, and Right Fielder Fred Gonzales each collected a pair. Augie Scornaiench, catcher, had the remaining hit.

The Harts never got started in the windup as they were shut out by Jaguar twirler "Pete" Peterson on two safeties. Jesse Dominguez, Gonzales righthander, hurled the entire game for Coach Jess Regli and was charged with the loss as he gave up four runs on eight hits. Peterson whiffed 11 Hart batters during his stay on the rubber.

Ted Stacey, Hart shortstop, and Augie Scornaiench, topflight backstop, whacked out the only Panther bingles.

## Golfers Lose Pair

The Hartnell Panther golfers sustained two bad reverses when they were blanked by San Jose J.C., 15-0, Monday and lost to East Contra Costa, 13-2, Friday.

In the San Jose contest, Ray Dinn, Panther ace, shot a neat 74 but lost three points when his opponent shot a 70. In the match with East Contra Costa, however, he picked up one of the Panthers' two points.

## THE COOL AND QUIET

By JOHN LAUE

Erroll Garner is one of the most talked-about and listened-to pianists of the present day jazz scene. He has made hundreds of records and probably thousands of appearances. In a day when the mark of a jazz musician is a performance with more than a few mistakes in it. Garner is almost never known to strike a wrong note.

Born in Pittsburgh in 1921, he took up the piano when he was nine years old. He put in an immense amount of study of the instrument informally, but somehow never learned to read music. In 1937, he began his professional performances, and in 1945 he really caught on.

He cut record after record and made appearances almost everywhere. His name became a household word. It was amazing to other musicians how one person could play every style, but with such individuality.

Garner is not of the modern school of pianists. He has a very solid background in the traditionalists and this shows in his playing. Despite the fact that he has taken the best of many styles and put them together, though he still retains a very individual sound, especially on fast numbers.

One of the main reasons for his acceptance by the public is his left-handed delayed beat. As many fans know, he is naturally left handed, and seems to relish in doing things with that hand that are unheard of.

In 1954, he signed a record contract with Mercury and has been doing very well ever since.

Incidentally, it seems appropriate here that we make a few comments on Frank Sinatra. We have just discovered him.

In his latest LP's he has done away with the saccharine "bobby-soxer's dream" and come up with something good. He seems to have gained the jazz feeling. Apparently, he no longer needs to ask what swinging means — he has it.

## 200 Entrants Are Expected In Small College Meet Here

By ROY BAYFORD

The Hartnell college track team will host the annual Small college track meet tomorrow at 1 p.m. According to Coach Ed. Adams, 200 entrants are expected at this event, some of whom are reputed as being the best runners in junior college circles throughout the state.

This will be the seventh time the small colleges of northern California have met collectively. Hartnell has won three, Fresno one, and College of Sequoias has captured the last two.

Coach Adams remarked that COS has a fine all-around team and he expects them to win.

### COS Beat Panthers

In a three-way meet earlier in the season COS beat Fresno and Hartnell. Should COS win, Coach Adams figures a likely fight between San Jose, Fresno and Hartnell for second place, and, the way the Panthers are improving, he is anticipating second place.

Many colleges have potential winners but it could be second and third place points which can decide the winner since there are six places in each event, stated Coach Adams.

Junior colleges as far north as Napa to Taft in the south, including: Menlo, Coalinga, COS, Fresno, Porterville, Reedley, Vallejo, San Jose, East Contra Costa and Hartnell will be competing.

### Mile Run Should Be Good

In the one mile race, a duel is expected between two outstanding runners. John Foreman of Fresno and Hartnell's ace, Wes Bond. Foreman has been timed at 4:23 while Bond is close with a time of 4:28.

Coach Adams expects Dick Casper of Hartnell to beat Gene Hoffer of COS whom he considers to be Casper's strongest opposition in the 440.

Fresno's J. C. White and COS's Jack Dietz along with Steele of Menlo will be a hard trio for Ray Perez to beat in the 100-yard dash.

### Brewer Is Top Hurdler

Ed Brewer, high hurdler for San Jose, is continuing in good form. In last year's state junior college finals, he placed fourth. He is known to have run the event in 15 seconds flat. Ballen, Menlo, is another outstanding threat in the hurdles.

Dick Casper will have a tough time when he meets Mylum Kelley and Al Brown from Fresno in the 880.

Perez should do well in the 220-yard dash, but will find tough opposition in the form of Fred Ruffin of Fresno, who beat him last month.

### Bond, Foreman Lead Field

In the two-mile gruel, Foreman of Fresno, and Wes Bond of Hartnell, two leading distance runners of junior college rating, will battle it out.

Bob Fierro and Melvin Kelley of Hartnell will face Jack Dietz of COS in the pole vault. Both Hartnell men have jumped close to 13 feet.

In the shotput, Mervin Anderson, with the form he has shown in the past, could win this event, stated Coach Adams.

### Cramer Best Jumper

In the high jump, with Ed Cramer from COS, who is known to have jumped 6 feet 4 inches, and keen competition coming from SJJC, Larry Sale and Harry Tomlinson, the two Panther jumpers, are going to be put to some pressure for a place.

Manmon of COS has shown good form this season in the broad jump, stated Coach Adams, but figures Ron Critchfield and Jerry Morgan to do well competing with him in this event.

Ken Sharron, Porterville's ace discus man, who has thrown the discus 150 feet in practice, will be a menace to any competition at this contest, remarked Coach Adams.

### Relay Team Asks Revenge

The Panther relay team is really looking forward to this return match against COS. The Hartnell foursome, Ray Perez, Sus Matano, Lauren Thomas, Dick Casper and alternate Rickey Axe, were beaten for the first time by this team by the slim margin of some six or seven yards. This was the first defeat of Hartnell's relay team in two seasons.

Trophies are to be awarded to high point man—the three top colleges of the meet, and a gold baton will be awarded to each mem-

## Baseball Players And Netmen Will Battle Lobos Soon

The Hartnell Panther baseball team enters the second round of league competition when it plays Monterey Peninsula college tomorrow in a doubleheader at the Lobo diamond. Bill Davidson and Jesse Dominguez are scheduled to receive the starting pitching assignments, according to coach Jess Regli. Game time is 10 a.m.

The Panthers dropped a doubleheader to San Jose JC in the league opener Saturday while MPC lost a pair to the current league leaders East Contra Costa, 24-10 and 12-3.

The probable starters for Hartnell are: Augie Scornaenchi, catcher; Joe Jellison, first base; Chuck Filice, second base; Arza Dillard, third base; Ted Stacey, shortstop; Art Lopez, left field; Rigo Castillo, center field; Fred Gonzales, right field.

### Netmen Face Lobos

The tennis team will also play its second conference match of the 1956 season Saturday when it will travel to Monterey to play MPC. Both the Panthers and the Lobos have played one league match as the Harts defeated Menlo and MPC lost to ECC.

According to coach Darwin Peavy, the match should be even, but he thinks the Harts should do well. When questioned about any outstanding performers, Coach Peavy stated that he was unable to name anyone but so far this year the victories have been much the result of team effort.

Probable starters for Hartnell are, Don Shirk, Yancy Wyatt, Jerry Tollefson, Lloyd Johnson, Bob Iwamasa and Doug Addison.

ber of the winning relay team.

Those donating the trophies to the three winning colleges are: first place, Salinas Valley Sports Shop; second place, Wallace Men's Wear; third place, Salinas Lions club. High point man trophy is donated by the Sportsman Sports store. The gold batons are donated by the Salinas Junior Chamber of Commerce. These awards are to be presented by Judy Young, 1955-56 Homecoming Queen from Hartnell college.

## Baseballers Defeat Spartanbabes 12-2 As Stacey Homers

A seven run rally in the seventh inning broke up a tight pitching duel and gave the Hartnell college Panthers a 12-2 win over the San Jose State college freshmen on the Hartnell diamond Tuesday afternoon.

Hartnell batters, held to two runs in Saturday's doubleheader with San Jose JC, were almost as helpless against the Spartanbabes' Leach for five innings before Ted Stacey's second homerun of the season sent Hartnell out in front by a 3-2 margin. The visitors had picked up a single tally in the second inning on a homerun by Hill off Panther starter Bill Davidson. The second San Jose tally came off Jesse Dominguez, winner of his fifth game, who relieved Davidson at the start of the sixth. The run off Dominguez resulted from two errors.

Stacey's triple and doubles by Arza Dillard and Art Lopez highlighted the Panthers' seventh inning rally. Lopez, Dillard and Joe Jellison rapped two hits each, while Augie Scornaenchi, Panther catcher, got the other Hartnell hit.

## Golfers To Play Against Top Men

Hartnell college golfers will compete in the Northern California Intercollegiate Golf tournament at Pasatiempo golf course in Santa Cruz next Thursday, Friday and Saturday, Coach Ken Blue announced this week.

The Panthers, represented by Ray Dinn, Paul Hirua, Bob Meyenberg, Ron Critchfield and Jerry Tollefson, will compete against both college and junior college teams. Coach Blue feels the competition will be good for his players. It is the first time Hartnell has entered the tournament since Coach Blue took over the reins three years ago.

All players will see action Thursday when qualifying rounds will be played and flights and handicaps established. Flights will be played on Friday with the final playoffs and medalists selected on Friday.

## Track Meet Last Week Called Off

The scheduled track meet between Hartnell, San Jose, Oakland and Monterey Peninsula college, which was set for last Saturday, was cancelled on account of rain. According to Coach Ed Adams, the proposed meet may be run at a later date.
